

I was very upset when I found out K-LOVE may be replaced by an LPFM. I feel that K-LOVE is the only station I feel is safe for my son to listen to. I also feel that the community as a whole benefits from the uplifting music. In these troubling times why would anyone want to replace a spiritual station trying to reach out to people to show them how much God loves them and wants to be in their life? If K-LOVE were replaced by a secular station, I would probably have to stop listening to the radio due to the language, open discussions of premarital sex and loss of values that occur on so many stations because it is the exact opposite of what I'm trying to teach my son. Please keep this very valuable station on the air. Not just for my family but for every family and every soul in America. Thank you
